- We accept that the Register of Business Interests will be published on the Trust/school website.
- We will also declare any conflict of loyalty at the start of any meeting should the situation arise.
- We will act in the best interests of the Trust as a whole and not as a representative of any group, even if elected to the Trust Board or a Trust Committee.

Breach of this code of conduct

Trustees and members of the LGB must agree to abide by this Code of Conduct by signing the declaration below at the start of each academic year. This acknowledges that all Trustees and members of the LGB have read and understood the document

Trustees and members of the LGB must follow this Code of Conduct at all times. Failure to do so may lead to their removal following the process for removal outlined in this document. This applies to all Trustees and members of the LGB irrespective of whether they have been appointed or elected to their position.

The following guidelines should be followed:

- If it is believed that this code has been breached, or if their conduct falls below the required standard, this needs to be raised with the Chair of the Trust Board who will investigate, supported by a member of the Executive Team.
- If it is the Chair of the Trust Board that is believed to have breached this code, then this needs to be reported to the Vice Chair of the Trust Board or another Trust Board member, who will then investigate.
- The Trust Board will only use removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.

Process for Removal of a Local Governing Body

The process will be compliant with the GLT Articles of the Trust at all times.

Grounds for removal

The removal of a member of the Local Governing Body (LGB) should be a last resort. The Trust Board will aim to resolve any situation before it reaches the removal stage, for example through mediation, verbal and written warnings or targeted training. Only when these measures have not succeeded, and the individual continues to act inappropriately, should removal be considered. The Trust Board may consider removing a member of the LGB where:

- There has been a failure to comply with the GLT Code of Conduct.
- There has been serious misconduct. Whether or not an action is classed as serious misconduct should be determined by the Trust Board based on the facts of the case. It

is expected that any actions that compromise the Nolan principles, would be considered in scope of this reason for removal

- They have displayed repeated and serious incompetence
- They have engaged in conduct aimed at undermining fundamental British values
- Their actions are significantly detrimental to the effective operation of the Trust.

The examples above are not exhaustive.

Procedure for Removal

The following guidelines should be followed:

- If it is believed that this code has been breached, or if their conduct falls below the required standard, this needs to be raised with the Chair of the Trust Board who will investigate.
- If it is the Chair of the Trust Board that is believed to have breached this code, then this needs to be reported to the Vice Chair of the Trust Board or another Trust Board member, who will then investigate.
- The proposal to remove must be presented to the GLT Governance Committee who will consider the case and decide whether to proceed to remove the individual.

Arranging/Conducting the Meeting

- If the decision is taken to proceed, then a delegated group of the Trust Governance committee (Removal Committee) will be formed of at least 3 Trustees and a meeting should be convened no less than 14 days from the decision to proceed being taken.
- This meeting will include a resolution to remove as an agenda item.

APPENDIX I: APPOINTED GOVERNORS TO LGBs

Introduction

In order to be effective a Local Governing Board should have:

- the right people round the table
- an understanding of their role and responsibilities

The purpose of these protocols is to help the Local Governing Board achieve these two things.

Emphasis on Skills

Our Trust is a complex organisation, and we need a range of skills and experience to help us oversee and support the needs of our schools. Our requirements are based on a skills audit which is reviewed every year. Each Governor has a role (or roles) with specific responsibilities as well as a collective responsibility for ensuring outstanding governance in the school in pursuit of its strategic aims.

Applicants who are Parents

A parent whose child attends a Trust school may become an Appointed Governor in another Trust school. This protocol does not apply to the posts of Chair and Vice Chair which are appointed directly by Trust Board.

Recruitment Process

When a vacancy occurs on the Governing Board an advert will be placed on the school's website, with governor recruitment agencies or any other relevant body that might be thought suitable or by personal contact to an individual. These steps will vary from opportunity to opportunity (and there might be occasions where additional publicity might not be deemed necessary) but steps will always be taken to alert staff and the parent body to any opportunity that arises.

Applicants will be invited to complete a short application form and submit a brief CV.

Selection Process

A panel will be convened to carry out the selection. It will have delegated responsibility for selecting the preferred candidate, though they will recommend their choice to the Trust Board for ratification.

One member of every governor recruitment interview panel will have had accredited Safer Recruitment training. The panel may shortlist candidates in the event that there are more than three applicants.

The interview will assess best fit¹ against the skills, knowledge and experience sought by the LGB. Interview notes will be kept for feedback and may also be viewed by candidates upon request under data protection legislation.

¹ Best Fit' Governor roles differ in the sense that some, such as finance, require specific skills whereas others, such as student learning, student welfare or premises, could be met by someone with a broad range of skills and experience, and who is given the appropriate training for the role. It is not always easy to find potential Governors and so the 'best fit' approach may need to be applied by the selection panel. It is important that the view on 'best fit' is recorded in a way that demonstrates to any third party why the selected person was considered appropriate.

The successful candidate will be required to undergo an Enhanced Disclosure and Barring Service check and will also be required to sign a declaration of eligibility to serve as a Governor, as set out in the Articles and as required by the Charity Commission.

Responsibilities

Members of the Trust are responsible for appointing the Governors (other than elected parent or staff governors). The Panel, the chair of which will be the Chair of the Local Governing Board, shall comprise the LGB Chair (or Vice Chair), a Trustee (usually the CEO) and the Headteacher.

Other responsibilities

On request, the Chair of the Panel will provide feedback to those candidates who are not successful.
