

DIY MINI ENVELOPES

Print onto A4 or Letter size paper at 100%. **Cut** out each mini envelope. **To assemble:** with blank side facing up, fold in both the side and bottom flaps. Place a little glue or double sided tape onto the coloured side of each flap. Next fold the back of the envelope over, exactly in half, to cover the flaps, pressing down to secure. Pop a mini note card inside and fold down the top flap. Seal with a sticker or washi tape!
