High School For Girls

HEIRS OF THE PAST, MAKERS OF THE FUTURE

Dear new 7 Johnson,

Welcome to our amazing house! Well done for making it into the school, you will really enjoy it here. Amy Johnson was the first woman to fly from London to Australia which is why our house is named after her. There are 6 other houses which we compete against during inter-house competitions

When you start school, your first day will be mainly getting to know each other and sorting out a few things such as your timetable. This is a great opportunity to make friends! Don't worry about settling in or making friends – things will come in your own time!

As for navigating the school, it can be hard at first, but after a while it won't be a problem at all! Try to set off early for your lessons though, after break or lunch, so if you get lost, you won't be late. All the staff and older children are very nice so if you need help, don't be afraid to ask for it. I am looking forward to meeting everyone in September!

Best wishes and stay safe,

Lola – Form Captain (Johnson)
