

A letter from your Form Tutor

Hello 7 Johnson,

My name is Mrs Horton and I am going to be your Form Tutor at Wallington High School for Girls, when you join us in September. If you click on the link under my photo I have made a video message for you.

In September, I will meet with you every morning in our Form Room. I will take the register then we will spend time together during Form Time organising ourselves for the day ahead and getting to know what goes on in school. Sometimes we will go to Assembly together and meet up with the rest of our Year, or the whole school. I will be the teacher you talk to if you have a worry about something and need some good advice. I will track your progress and your successes in school, and I will be able to help you to settle in and make friends.

As well as being a Form Tutor I am also the head of Chemistry. I mostly teach GCSE and A level students so you probably won't have me as your teacher for a little while. I can usually be found in my lab (F08) or in the science office; the stairs up to the third floor keep you fit!

I love to teach because I love getting to work with so many different people. No two days are ever the same in teaching and I could never do a job where I was clock watching! When I'm not working I am kept busy by my three small children and one large dog. I love to read and to run and ran a half marathon for the first time during lockdown.

A piece of advice for your first day and possibly your first term, is that everyone is to take one day at a time and remember that everyone is feeling the same as you – most girls in our school don't know many other pupils at all when they arrive. But if you smile at your classmates and ask them about themselves, you will relax and start to feel at home and so will they.

I look forward to seeing you all in September,
Mrs Horton
