

# A letter from your Form Tutor

Hello 7 Curie,

My name is Ms Javaid and I am going to be your Form Tutor at Wallington High School for Girls, when you join us in September. If you click on the link under my photo I have made a video message for you.

In September, I will meet with you every morning in our Form Room - G3. I will take the register then we will spend time together during Form Time organising ourselves for the day ahead and getting to know what goes on in school. Sometimes we will go to Assembly together and meet up with the rest of our Year, or the whole school. I will be the teacher you talk to if you have a worry about something and need some good advice. I will track your progress and your successes in school, help you with any questions you may have and I will be able to help you to settle in and make friends.

As well as being a Form Tutor I am also an English teacher. You will find me in the English Office or in my classroom, which is in the G corridor. I work with the other English teachers to ensure that students enjoy English and are making good progress in their learning. I am especially looking forward to hearing about all the books you have been reading because, as you can probably predict - I love reading! You will often find me talking to students about book recommendations or telling teachers that they absolutely must read this amazing book I have read!

A piece of advice for your first day and possibly your first term is that all new students will feel a little nervous as it is a new environment so make the effort to talk to each other and ask for help when you need. It is important that you communicate with your form group and share your thoughts – it is likely that someone else is feeling the same and will help you with this. Equally, as our tutor group will become our school family you should try and help each other out, as the favour will be returned soon!

Finally, I am here to help you and I will look after you so instead of worrying this summer, spend your time enjoying it and I look forward to hearing all about it in September.

Ms Javaid
