

A letter from your Form Tutor

Hello 7 Seacole

My name is Mrs Blaiklock and I am going to be your Form Tutor at Wallington High School for Girls, when you join us in September. If you click on the link under my photo I have made a video message for you.

In September, I will meet with you every morning in our Form Room. I will take the register then we will spend time together during Form Time organising ourselves for the day ahead and getting to know what goes on in school. Sometimes we will go to Assembly together and meet up with the rest of our Year, or the whole school. I will be the teacher you talk to if you have a worry about something and need some good advice. I will track your progress and your successes in school, and I will be able to help you to settle in and make friends.

As well as looking after you, I am also a maths teacher and the head of the maths department. I teach lots of different year groups from year 7 through to year 13 and I am looking forward to teaching some of you over your time here at school.

This is the start of my twelfth year of teaching maths and I love it more and more each year. I enjoy teaching because, much like school, there is always something new to learn. Maths is a really exciting subject to teach because it is all about problem solving - I hope that you enjoy maths as much as I do!

A piece of advice for you is that it is normal for you to feel both excited and anxious when you start a new school but it is important to remember that everyone is in the same position. We will do lots of activities at the start of the year to help you all get to know each other and to start making friends that will support you through your time here at school and for many years to come.

I look forward to seeing you all in September,
Mrs Blaiklock
