

GLT SUCCESSES TO DATE

GLT was formed in September 2015 and to date has achieved the following:

- ❖ Strong student outcomes at both of the original schools
- ❖ Growth to three schools in April 2018 when Carshalton High School for Girls joined
- ❖ Continued recruitment of excellent staff
- ❖ The Headteachers have been freed from the business functions of the school to allow more of a focus on school performance
- ❖ Effective sharing and benchmarking of school data has enabled better evaluation of performance
- ❖ Centralisation of support functions has resulted in significant cost savings
- ❖ A Trust-wide improvement strategy focussed on collaboration and support between schools including Executive team support, a cross-trust dept. review programme and support for underperforming departments
- ❖ Effective staff development including a Trust wide teacher development programme, annual GLT staff conference, and a sharing of expertise and resources
- ❖ Increased student opportunities through subject collaboration, joint careers events, Higher Education programme, competitions and student leadership training
- ❖ A strong Trust Board and governance model that allows specialisation at committee level including Local Governing Bodies (LGBs)
- ❖ A financially secure Trust able to support and manage further growth of the Trust

WHERE NEXT FOR GLT?

We aim to:

- ❖ Grow, but in a manageable way- 5 schools in the Trust by 2020
- ❖ Remain as an all- girls Trust that has a clear identity
- ❖ Include more non-selective schools in the Trust to further strengthen the model
- ❖ Retain financial stability as the Trust grows by achieving cost economies of scale
