Thursday 14<sup>th</sup> July 2021

Dear Student, Parents and Carers

## **Re: Extended Project Qualification (EPQ)**

All students in Year 12 complete an elective during the Autumn and Spring term. One of the options that students have is to complete an EPQ. Highly valued by universities, the EPQ gives you the opportunity to research and produce a project entirely of your own choosing. With the support of a supervisor, you will produce either a dissertation or artefact. (Artefacts take many forms: from scientific investigations to architectural designs, and performance art)

Typically, the EPQ is a very popular choice for our students and therefore to secure a place on this prestigious elective you must demonstrate commitment and an ability to work independently. Over the summer, please ensure you complete an application form and also participate in an online summer course (totaling 8 hours).

Details are as follows:

Application Form: [Click Here](#)

**(To be completed by Wednesday 1<sup>st</sup> September)**

University of Southampton Summer Course: *Developing Your research Project*

<https://www.futurelearn.com/courses/research-project>

**(To be handed in to Mrs McCormack, in the Sixth Form Office on Tuesday 7<sup>th</sup> September 2021)**

Furthermore, if you would like to remind yourself of the transition work that was issued on the Year 12 Induction Day please [click here](#).

I hope you have a lovely summer.

Kind regards

Mrs Emkes

Assistant Headteacher

Director of Sixth Form
